

STINGRAY DAILY STORY

WEEKLY TOPIC:

BOOK WEEK

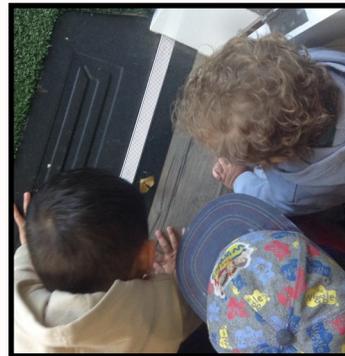

OUTDOOR

This morning the children had been playing with the animals inside so when we went outside Miss Stacey decided to help them set up some animal play outside as well. After she got out the tray, the children helped bring buckets of sand over and tip them in. We then collected the animals and placed them in the tray. The children had fun playing with the animals and making animal noises.

When Miss Briohny arrived she had a special treat for the children. They watched patiently while she set up a mat and put cups, plates and spoons down. She then put some teddy bears out and the children had a teddy bear picnic, adding their own bears to the mat.

Yoonu, Azalea and Thomas picked up books from the reading area and brought them out for Miss Stacey to read. The children enjoyed listening to a range of books in the sunshine.

Today we continued with book week by creating some potato masher sheep. We chose to create sheep today due to some of the children's favourite story being the green sheep. Selecting one of the potato mashers they pressed it into the red, green or blue paint before stamping them onto the paper. The children chose to lay their sheep out in different positions. When the sheep are dry we will add some googly eyes and draw on their legs and faces.

MUSIC

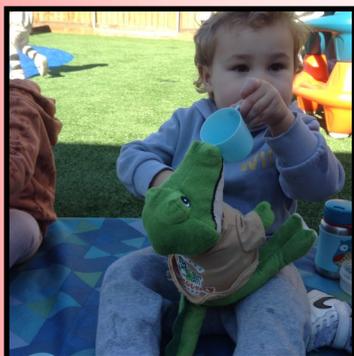

Mr. B made an appearance today to have another music and movement lesson with the children. They repeated the same actions of clapping, touching their cheeks whilst making an “sss” sound, and stomping their feet along to fast beats and songs like “Shake it off” by Taylor Swift. The children feel confident with copying Mr. B’s dance moves and always enjoy dancing alongside friends.

We had a very special visit today from Pirate Patsy. The children loved the story he read them called 'We're Going on a Treasure Hunt'. Each child had a turn at lifting their flaps on the pages to see if they could find treasure. After the book, the children had fun catching bubbles while Pirate Patsy made them a balloon each.

PIRATE PATSY

As it was raining on Tuesday we were unable to have our Teddy Bear Picnic, so Miss Briohny set up the mat during outdoor play this morning as a picnic. The children used the tea set to make coffee, tea and juice, they also took turns feeding the bears. As the children enjoyed our picnic we brought it inside and set it up at the mirrored table. The children spent the morning playing with the bears and enjoying the picnic.

After rest time the children will have a teddy bear picnic for afternoon tea.

Reflection of the day

Today the children had a teddy bear picnic during outdoor play, they enjoyed the picnic so much that we brought it in for indoor play as well. We had a visit from Pirate Patsy today who read us a story and made us some balloon swords. For afternoon tea we enjoyed a teddy bear picnic outside on the mat with some cupcakes and fruit.
