Group Time

We started group time off with a discussion about the letter 'A'.

We spoke about things that begin with 'A' like apples, which we just ate for morning tea! We also named airplanes and ants.

This led to us singing and dancing to 'The ants go marching' around the room.

We also sang a few of our other favourite songs like 'baby bumble bee', 'sleeping bunnies', 'tooty ta', 'dance freeze' and 'shake your sillies out'.

We all had a blast singing and dancing around the room with all of our peers and educators.

Let's go find some ants

To further extend on ants, we had 4 magnifying glasses that we shared between the class and went around the yard trying to find ants.

We managed to find a couple of ants wondering around and even found a giant ant carrying food! Eloise had to stand back as she got a little bit scared because it was so big. Cooper and Penelope were right at the front, magnifying glass in hand, getting as close as they possibly could. We spoke about what we thought the ant was trying to do. We came to the conclusion that the ant was trying to get home to feed his family.

Ant finger paint

Miss Caitlin found a cool art experience for the children that extended on ants. We just needed to dip our finger on the sponge covered in black paint. We then had to transfer our finger to the paper, placing each dot side by side.

Miss Caitlin gave an example and then let the children copy. They understood that they needed 3 dots on the paper but they didn't like the idea of them being next to each other. We had dots on our sun, dots in the middle of the sky and dots underneath the dirt. Very creative guys!

Analysis of learning

Learning Outcomes
Achieved:

1.1, 1.2, 2.1, 3.1, 3.2, 4.1,
4.2, 4.3, 5.1, 5.2

Reflection of the day

Today we dove further into the letter 'A'. We spoke about things that begin with the letter 'A' and landed on ants. We sang songs, went searching and created our own ants in art. We had so much fun and can't wait to learn what else begins with 'A' this week.
