Ambulance Collage

We spoke about all the things we have learnt that begins with 'A' this week and learnt that Ambulance starts with the letter 'A'

Jade mimicked the sound of an ambulance and everyone soon followed.

Everyone then headed to the table where we made our own ambulances with different shapes Miss Caitlin cut out.
"Can you find a black circle?" Miss Caitlin asked Cooper.
This activity helped with our colour recognition as well as our ability to copy exactly what we see.

Identifying the letter 'A'

As most of the children here today weren't here yesterday, we redid our letter tracing and puzzle matching game to help the children identify the letter 'A'

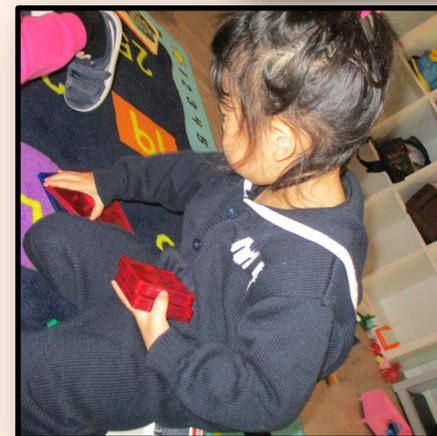

Meghan was looking at the two different 'A' symbols and said that the upper case 'A' was the mum and the lower case 'a' was the baby. Great working at telling the difference between the two!

Magnetic shape creations

Miss Talitha noticed Cooper, Adaline and Meghan on the mat playing with the magnetic blocks and decided to join them. Cooper helped Miss Talitha build a big house and once it was done he enjoyed breaking it apart and started again.

Adaline used two square blocks to make a barn and used a triangle block pretending it was different farm animals as she sang the song 'old MacDonald had a farm'.

Meghan used the big square block as a base and used the small square blocks to build up as tall as she could. Once she was finished she helped Cooper re-build the big house.

Please Join BTP Early Learning Centre's fundraiser for Red Nose Day. We will be dressing up in our PJ's and supplying a Gold Coin donation to show our support funding for research, supporting families, and helping save little lives.

So please dress your little ones in their PJ's on Friday the 13th August 2021 and bring along a gold coin donation to show your support.

Reflection of the day

Happy Thursday everyone! We had a fantastic day here in the Dolphins room. As we further extend on the letter 'A' we find more and more objects that begin with the letter. We are continuing to learn the sound the letter makes and even practice tracing it. We are focusing a lot on toilet training in the room at the moment. We currently are toilet training 3 children and they are doing amazing! Just a friendly reminder that tomorrow is Red Nose Day and we are coming dressed in our PJ's and asking everyone to donate a gold coin donation. We look forward to seeing everyone looking comfy tomorrow!
