

Daily Learning Story

Monday, 16th August 2021

Welcome to BTP Early Learning Centre, Mieka! You had an amazing first day and without any tears! You were eager to participate in all the activities provided and wanted to spend every minute in home corner!

Birdseed creativity

It was such a beautiful morning and Miss Caitlin set up an activity for us to explore outside. As we are exploring the letter 'B' this week, all of our outside activities start with 'B'.

In the black trough, Miss Caitlin poured birdseeds in with some bowls and cooking equipment for the children to let their imagination run wild.

We discussed the texture of the seeds, what we could make and some children even asked if the birds were going to come and eat them later.

Who knew birdseeds could be so much fun!

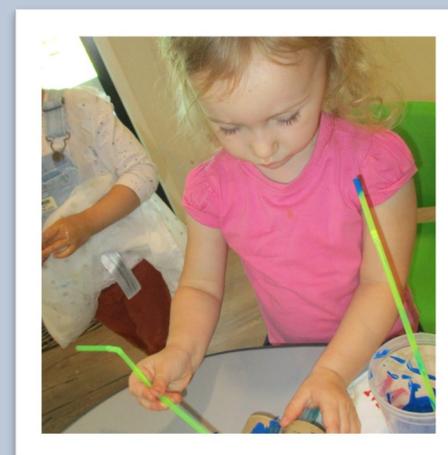

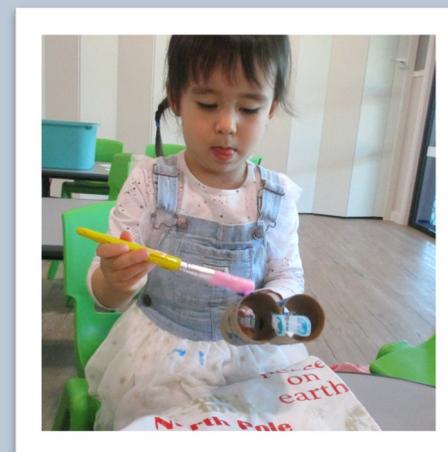

Let's make binoculars

In order to go outside and try and find some bees and birds we have to have something to help us see.

We used old paper towel rolls from Miss Tanya and watched as Miss Caitlin glued them together. We then got to decorate with pink and blue paint as it was requested by Adaline and Cooper. When we looked at the art trolley Miss Caitlin asked what we could use to paint with. Mieka wanted to try using straws. So we had one pot of paint with straws and another with a brush. When asked which one was easier to use to paint everyone responded with the brush.

We finished it off with some white glitter and set aside to dry for this afternoon.

B is for Bumble bee!

To start off our letter 'B' art for the week, we made potato masher bumble bee's.

We started off by dipping our potato masher into the yellow paint and transferring it onto our blue paper. We used a straw to make black circle on our bee and then decided where we would put our eyes and wings.

Analysis of learning

Listening & responding

Letter recognition

Creativity & imagination

Independence

Colour recognition

Social skills

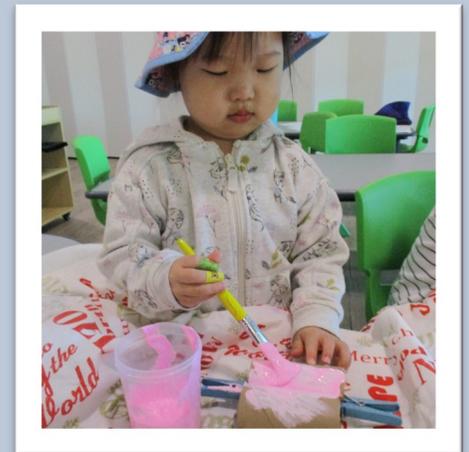

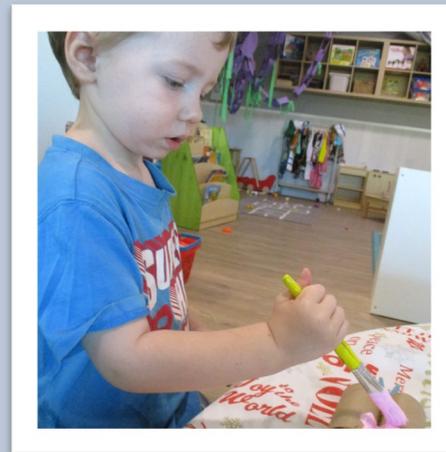

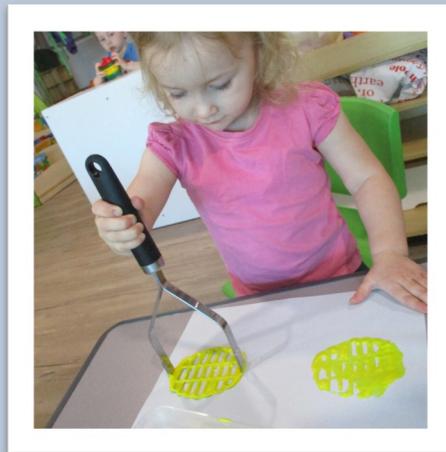

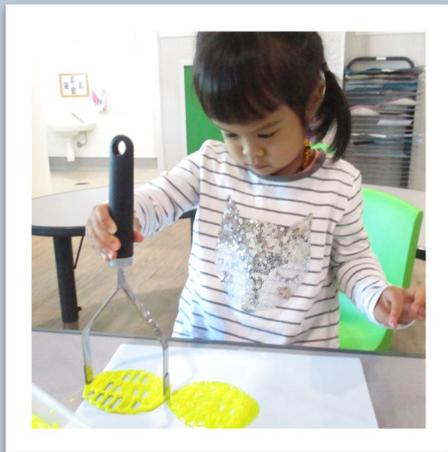

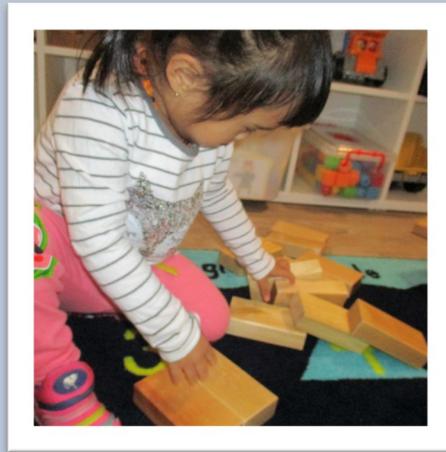

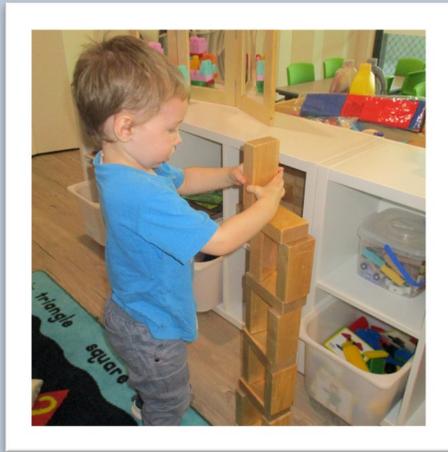

Reflection of the day

Happy Monday everybody! This week we are exploring the letter 'B' and all of the wonderful things that begin with the letter.

All of our arts and crafts and outdoor activities have been created to help the children identify the letter 'B'.
