Car tracks

C is for ... Car!

In front of us were 2 cars, 1 blue car placed in blue paint and 1 yellow car placed in yellow paint.

We were each asked to select one colour car at a time and drive it on our piece of paper.

“Where is your car going Cooper?” Miss Caitlin asked. “It’s going to the park.” Cooper replied as he manoeuvred the car around his piece of paper.

Drawings

When Cooper and Adaline arrived this morning they told

Miss Caitlin that it is their dad's birthday today. So we asked the twins if they would like to make a birthday card. They both nodded and requested to make one each. When the other children saw this, they wanted to make one for their dad's as well. Everyone ended up drawing some beautiful pictures to take home.

Puzzle matching

To help with our letter recognition, we used our alphabet puzzle matching game. Although this week we added in the letter 'C' & 'D' into the mix. The children had to find the two pictures that matched each other, one with a upper case letter and one with a lower case letter. We can't wait to use these cards again to help practice.

Block building

Cooper was first to start building with the block but it wasn't long until Joanne, Penelope and Adaline joined. As Adaline picked up a block she said "b is for block". Joanne built an awesome tower and was super excited to show Miss Talitha as she joined in playing with the blocks. After Penelope finished building her tower she got the magnifying glass and looked over her tower threw it.

Analysis of learning

- Letter recognition
- Fine motor
- Gross motor
- Problem solving skills
- Creativity
- Imagination

Reflection of the day

Happy Monday everybody! This week we are learning about the letter 'C' and exploring things that start with the letter 'C'.

All our activities and arts and crafts this week will be based around the letter 'C'.

This week is also book week so we will be decorating our room during the week with Dr Suess decorations. Miss Caitlin and Miss Talitha look forward to seeing all the children dressed up on Friday.
