

Daily Learning Story

Wednesday, 25th August 2021

Group Time

We started off this morning with the children joining Miss Talitha on the mat to read 'The Cat In The Hat'. After we finished reading the children were asked what their favourite part was to which Mieka replied "the cat is so silly" and everyone laughed and agreed. It was great to see the children seemed to have a much better understanding of what happened in the book today then they did yesterday.

After this discussion the Miss Talitha sang some songs with the children including 'Baby bumble bee' and 'Taba Naba' before getting up and dancing to the song 'Shake your sillies out' and 'Dance freeze'.

Mat and table activities

The children joined Miss Veronica on the mat to make car tracks. Once the track was made, they each found cars to zoom around.

On the tables were some transport puzzles set up which Nate, Evelyn and Meghan all enjoyed doing. As Nate played with the puzzles he said “truck” as he put the truck in the correct spot.

C is for carrot

To continue on learning about the letter “c” Miss Caitlin planned yet another awesome activity for the children to educate them more about the letter ‘C’ which was carrot stamping. The children had 4 carrots with different shapes cut at the end of each and orange paint. The children chose which stamp they wanted to use first and off they went stamping their paper.

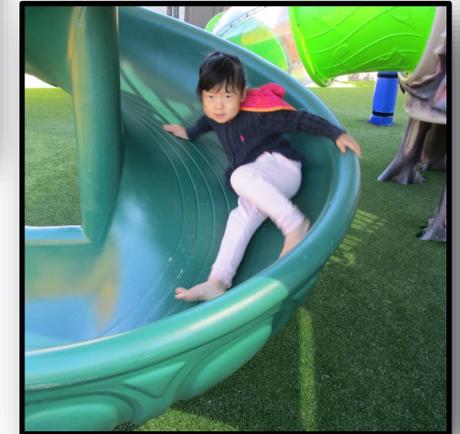

Penelope was so excited to have her turn as sat right down and got straight into it. She used all four stamps multiple times, each in their own row.

All the children did such an amazing job!

Yoga

We started off our yoga lesson stretching our backs by stretching forward on our stomachs pretending to be snakes then pulling back curling up on our knees pretending to be a mouse. The children had lots of fun stretching the rest of their bodies. We finished off the lesson off by practicing our beep breathing by taking a big deep breath and blowing the air out softly to blow bubbles.

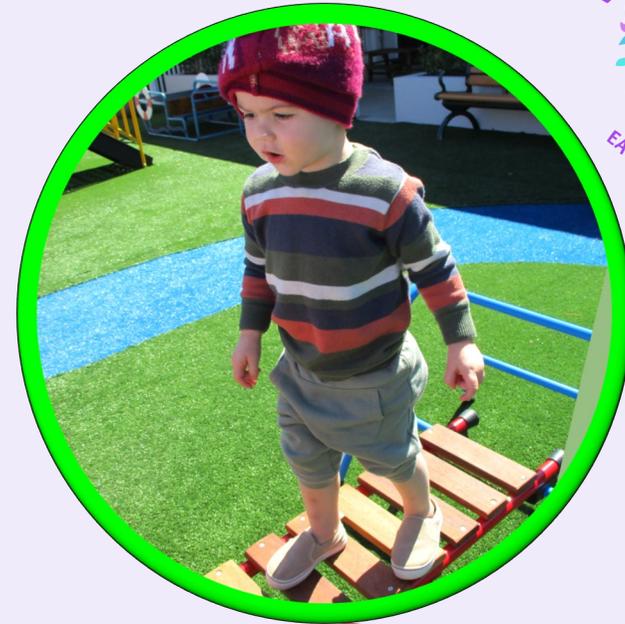

Outside play

After lots of fun inside the children were super keen to get outside for a run. Once we got outside the children all showed lots of interest in the obstacle course and all took turns climbing it. Meghan, Mieka, Kai-Li and Penelope then enjoyed taking turns going down the slides.

Analysis of learning

- Listening & responding
- Communication
- Independence
- Fine motor skills
- Letter recognition
- Social skills
- Gross motor skills

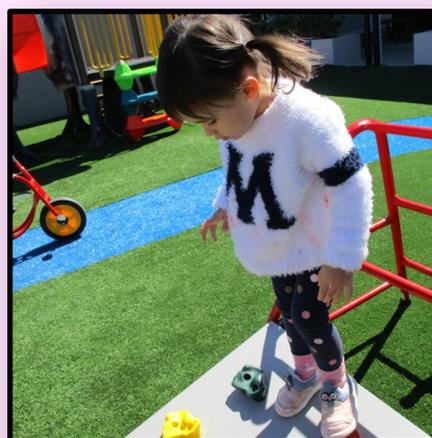

Reflection of the day

We continued learning about the letter 'C'.
The children created some amazing art with carrots, listened to Miss Talitha read 'The cat in the hat' and participated in yoga with Miss Gini. Everyone had an amazing day!
