

Daily Learning Story

17th August 2021

With Miss Talitha and Miss Alaura

Letter B Bears

To continue learning about the letter 'b' the children were all asked what words start with the letter 'B' to which Jade responded "b,b,b bear" which gave Miss Talitha an idea which was to make bears out of the letter 'B'. This was such a great activity as all the children could recognise the letter and learnt that bear starts with the letter 'B'. The children each took turns coming to the table to glue the bears paws and nose on. The children's bears all turned out super cute and they cant wait to have them on the walls of the dolphins room.

B is for Butterfly!

B is for...

butterfly

Miss Caitlin was unfortunately away today but had planned an awesome activity for the children to make their very own butterflies. When the children were told they were making butterflies today Mieka pointed to the door and said “ there's a butterfly”. They each joined Miss Alaura at the table to paint half of their butterfly the colours of their choice. The children got super excited to see Miss Alaura fold their butterfly in half and open it back up to see the beautiful painting they had done merge onto the other half causing the butterfly effect. The children then got to choose a what colour glitter they wanted to put on their butterflies before going wild with the glitter.

Music with Mr Brendan!

After doing some amazing art work, the children jumped for joy as they saw Mr Brendan walk into the room. They children quickly joined Mr Brendan on the mat for their weekly music lesson. Mr Brendan was very welcoming of our new friend Mieka and went over all the stuff learnt in previous lessons so she knew how to do everything. Mr Brendan then introduced a new song for the children which they all absolutely loved.

Reflection of the day

Today was such a hoot as we continued learning the letter "b" by doing butterfly and bear art. The children had a blast during their music lesson with Mr Brendan. The children enjoyed playing with blocks and building masterpieces outside.
